

COACHES LETTER

Dear Parents,

My name is Troy Forgie and I'm looking forward to being the head coach of the U13 Kanata Cubs rep team for the summer of 2020.

I was the head coach of last years OBA champion U12 Kanata Cubs team. My previous playing experience included playing in the Quebec Junior Elite baseball league for the Diamants Du Quebec, I played for the Ottawa Nationals AAA Baseball team, The Ottawa Nepean Canadians and several other competitive baseball teams throughout my playing days.

My baseball philosophy is all about development and pushing players beyond to be the best they can person they can be on and off the field. During regular season play I will play in a format that develops the players before one that is geared toward winning the game.

During tournaments I will leave the decision to the players if they want the coaching staff to make decisions for the team to win or continue to develop.

Playing time will always depend on the athletes attitude and desire to become a better player and to make the players around them better.

Once the team is formed we will start indoors with a focus on teamwork, conditioning and athleticism before moving into more baseball focused training. If your son or daughter makes the team make sure they are prepared to work hard and be accountable to their teammates.

We will play in all the local tournaments that are available to us with some travel tournaments that will focus on a baseball experience over winning.

Sincerely,
Troy Forgie
